

# FORMIT WASTE TANK

## WASTE STORAGE TANK SYSTEM

THE **FORMIT WASTE STORAGE TANK** IS IDEAL FOR USE UNDER A PORTABLE BUILDING OR PORTABLE ABLUTION BLOCK WHERE SEWER CONNECTION IS NOT POSSIBLE.

The Formit Waste Storage Tank has been engineering certified and meets the Australian Standards for a building mass of up to 3000kgs plus 20 persons.

Our waste storage tanks are popular in remote building and construction sites, civil construction sites, special events, army camp locations, and just about anywhere that doesn't have a sewer connection.
