

POLYJOHN HAND WASH

PORTABLE HAND WASH STATION

EMPLOYERS AND EVENT PROMOTERS WHO WANT TO PROVIDE A SAFER, HEALTHIER ENVIRONMENT FOR WORKERS AND VISITORS WILL PAY EXTRA AND APPRECIATE THE CONVENIENCE THAT **POLYJOHN HAND WASH STATIONS** PROVIDE.

The Bravo Sink is a two person hand wash station that holds approximately 94 L of fresh water and has a visual level indicator. This unit will allow approximately 1400 uses assuming responsible usage. This unit will store approximately 102 L of grey water which can easily be discharged at the end of the event.

The Bravo sink can fit inside most portable toilets making for easy transport to and from events. The Bravo sink has a special siphon port for emptying with full access to the inside of the unit for cleaning purposes. The Bravo, like all PolyJohn Hand Wash Stations, has a foot operated pump for ease of use. Paper towel and liquid soap dispensers are standard.
