

POLYJOHN COMFORT INN

SPECIAL NEEDS PORTABLE TOILET

THE POLYJOHN COMFORT INN

IS AN EXTRA LARGE PORTABLE TOILET AND REMAINS A GREAT ALTERNATIVE FOR USERS WHO PREFER MORE ROOM

With a compact size that can be moved into place by one service operator, this extra large portable toilet remains a great alternative for users who prefer more room. The Comfort Inn is popular at key events because the large interior space is also great for families with children as well as people with special needs. The Comfort Inn Special Needs portable toilet features wheel chair accessible ground level floors, ramp free access, self closing doors and internal grab rails provide complete independence for wheel chair users.

The Comfort Inn comes with a PolyJohn flush system (no handwashing facilities). Alternatively Formit manufactures a fresh water flush system with handwashing facility (fibreglass) and this is available for use in the Comfort Inn Special Needs Portable Toilet.
