Lightweight, durable and affordable makes the **FORMIT WIZZ WALL** perfectly suited for high volume outdoor events and building and construction sites.

The Wizz Wall has been specially designed for those large events where space is minimal. This five stand urinal occupies the same space as one portable toilet, and is uniquely designed to stand alone, back to back, or against a temporary fence.

The Formit Wizz Wall can also fit inside portable buildings creating a men's room perfectly suited for work sites.
